Sir:

INTRODUCTORY COMMENTS

Reconsideration of this application is respectfully requested in view of the proposed amendments and comments presented herein. The proposed amendments are believed to be appropriate for entry under 35 U.S.C. §1.116 to the extent that they refine the definition of subject matter for which protection is sought in an expanded manner better defining the overlapping emission spectra of the first and second luminescent substances so as to improve the meaning of the claim without departing from its original intended scope.
